

IBM CLOUD ACCOUNT

DATE	26 TH August 2022
TEAM ID	PNT2022TMID15932
PROJECT NAME	PERSONAL ASSISTANCE FOR SENIORS WHO ARE SELF RELIANT

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Gideon A's Account). Below this, the main dashboard area is titled 'Dashboard' and features a 'Create resource' button. A 'For you' section presents a grid of recommended actions, each with a cloud icon, a title, a description, and a 'Recommended' or 'Getting started' button with a time estimate. The actions include: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Hosting with bare metal servers' (Game server hosting with IBM Cloud + free 20TB bandwidth (previously \$999 USD), 3 min), 'Use Streaming Analytics' (Analyze a broad range of streaming text, video, audio, geospatial and sensor data in real-time with IBM Streaming Analytics, 2 min), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel, 15 min), 'App Connect' (Instantly connect applications, data, heritage systems and modern technologies, even without a single line of code, with IBM App Connect, 2 min), and 'Build a Cloud (Upgrade to create protect Cloud)'. At the bottom, there are sections for 'User access' (Manage users), 'News' (WebSphere Application Server Support Restatement), and 'Planned maintenance' (Activate Windows, Go to Settings to activate Windows).
